Présentation de l'éditeur There is something about Lux. He's a thief and a liar; he is selfish and self-absorbed and hopelessly vain. But while he looks like Lana Turner and romances like a true Casanova, Lux is actually more like a bumbling, oblivious Mary Tyler Moore. Amid shouting mobs, police shields, and the hurled bricks of the '80s Brixton riots, Lux is searching for Pearl—the love of his life. Her home has been burned down by a stray petrol bomb, and she's searching for sanctuary along with her friend Nicky. Nicky is traumatized after having killed her computer—her best friend—and is herself being followed by Happy Science PLC. It is their plan to breed a superior next generation by implanting the sperm of genius men inside beautiful women. She knows too much about the plan. Lux is helped in his quest by Kalia, a castaway of Heaven attempting to get back in God's good graces by performing one million good deeds over countless lifetimes. There's also a thrash metal band, a riot-party, past lives, and KY. Lots of KY.

Commentaires clientsCommentaires clients les plus utiles0 internautes sur 0 ont trouvé ce commentaire utile. Courtesy of Teens Read TooPar TeensReadTooLUX THE POET, by British author Martin Millar, offers a fun, eccentric story of a poet in search of eternal fame and fortune.As Lux searches a Brixton riot for Pearl - the lesbian love of his life - he meets the resistance of those he has wronged while avoiding the brutality going on around him.Lux's positive attitude of eternal optimism and vanity make this book an enjoyable read. However, this story would not be complete without the escapades of Lux's past lives. We learn more of

his antics through the eyes of an angel who has been misjudged and sent to earth to complete a million acts of kindness, only to be foiled by her nemesis, an angel who revels in evil-doing. It was these stories that give the book depth and make Lux an enjoyable character. There are moments in this book that make it more suitable for an adult audience because of its crude nature; although fleeting, it would still be inappropriate for a younger audience. But it is this mix of oddities that makes the book an entertaining and witty novel. Reviewed by: LaLeesha Haynes
